Agenda:

i) Discussion on formulation of a policy document for research.

ii) Any other matter.

The meeting discussed the need to formulate a Research policy document for promoting quality research in the institution. It was decided to strengthen Research mobilization by encouraging faculty to undertake projects, seeking funding opportunities. The members also emphasized on the need to organize

an IPR awareness programme. Furthermore, it was resolved to introduce a Research Methodology Course in the curriculum to ~~assist~~ equip students with essential research skills.
